AGRO SERVICES PARTNERSHIPS

Agrowex Hub

OVERVIEW

The AMA.AI Credit Ecosystem Flow through our blockchain-powered credit system creates a transparent and efficient cycle of investment, empowerment, and growth. CSI Partners fund the ecosystem, farmers receive the tools to succeed, and service providers earn revenue, driving a sustainable agricultural revolution.

What Agroservice Partnerships Offer:

- Access to digital agriculture tools
- Market linkages and sourcing opportunities
- Investment platforms in farming and processing
- Expert advisory and consultancy services
- Financing and capital support for growth
- Offtake contracts for guaranteed supply chains

The Hub is not just a service platform; it is a partnership ecosystem, bringing together stakeholders to accelerate Africa's agricultural transformation.

AGRO-SOURCING: SMART PROCUREMENT

Agro-Sourcing simplifies procurement and sourcing for agribusinesses, ensuring that goods and services are linked with the correct target market within the Agrowex ecosystem.

Partnership Benefits:

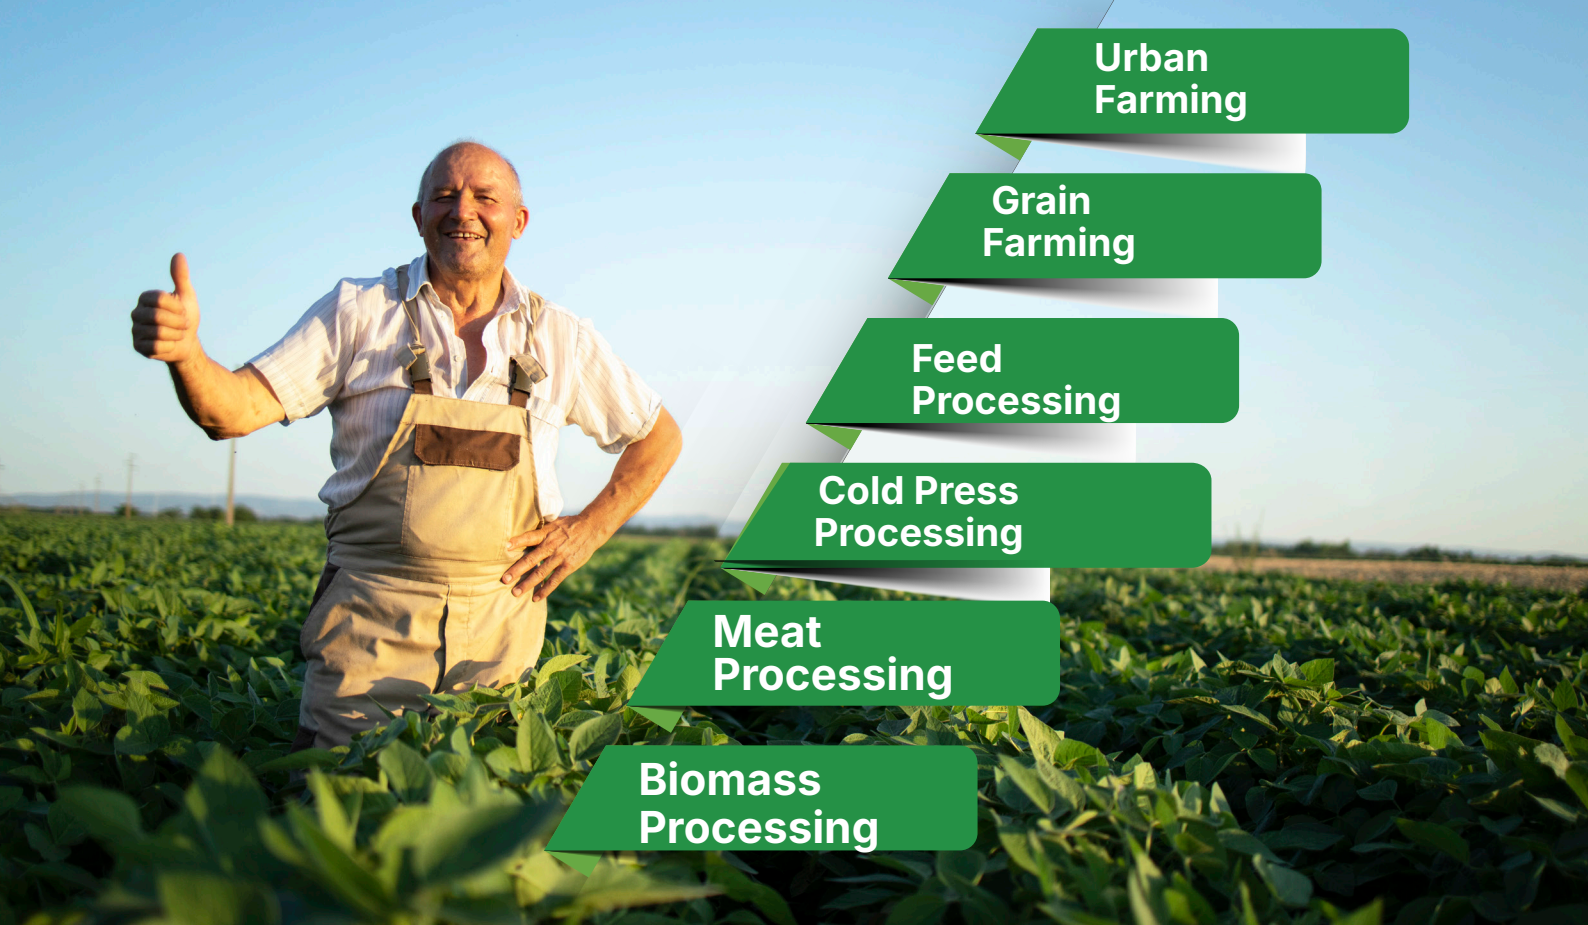

- Direct access to verified suppliers and buyers.
- Increased procurement efficiency.
- Transparent and traceable transactions.

Access procurement services and tools that enables sourcing of goods and services while we link your business with the correct target market within the platform

AGRO-INVESTMENT: UNLOCKING OPPORTUNITIES

Agro-Investment provides a digital marketplace where investors can support urban farming, logistics, and agro-processing projects that drives food security and innovation

Urban Farming
